

Repel dogs, cats, deer, raccoons, skunks and other creatures

YardGard

pest animal repeller

PROTECT YOUR PROPERTY

- Ideal for yards, gardens, porches, buildings, greenhouses and more
- Mount anywhere with keyhole slots
- Coverage up to 4000 square feet

Humane, effective, maintenance-free electronic yard protector keeps animals away from your property without messy or expensive chemical solutions.

Independent laboratory testing has proven YardGard sound technology to be a highly effective form of pest control. Use it to repel dogs, cats, deer, raccoons, skunks, opossums, armadillos, rodents, bats, insects and other creatures.

- **Continuous or motion-sensor operation** Built-in infrared motion sensor activates when pests move into its coverage zone.
- **Adjustable frequency** Powerful sonic and ultrasonic sound depending on the pest
- **Weatherproof** Snap-on raincover protects controls
- **Dual operation** (AC or batteries)

**YARD GARD
model #YG**

Dimensions (unit only)	6.75" x 5.25" x 3.5"
Weight	1 pound (shipping weight 2 pounds)
Coverage	4,000 sq. ft. (278.7 sq. meters)
Frequency Range	5,000 - 25,000 Hz (adjustable)
Sound Pressure	90 dB @ 1 meter
Electricity Costs	Less than \$0.25 per month
Compliance	EPA Establishment No. 058480-TWN-001. CE marked
Motion Sensor Range	35 feet x 70 feet
Working Current	<200 mA
Power Supply	4 x 1.5v "C" batteries or 120 vAC adapter Other voltage adapters should be purchased locally. Unit switches to battery power during a power failure (if batteries are in)

The Pest Control "X-Perts"
